

factory 30W USB C charger with CE certificate

1. Product introduction of factory 30W USB C charger with CE certificate

Smart charger intelligently recognizes your device and provides customized and accurate charging current.

Compact and lightweight design with a foldable plug and AC 100-240V input.

USB-C port with PD 3.0 which intelligent chips allow simultaneous multi-device charging at high speed.

We supply 30W type c charger walmart

We devote ourselves to mobile phone charger industry for 14 years long, covering Korea, USA, Americas, Dubai, Thailand, and UAE

We are expecting become your long term business partner in China.

2. Product parameter of factory 30W USB C charger with CE certificate

Product Name	30W USB C charger with CE certificate
Input	100-240V
Output	5V=3A, 9V=3A, 12V=2.5A, 15V=2A, 20V=1.5A
Material	PC
Protection	Over-voltage protection Input over-current protection Output over-current Protection Ripple wave resistance Short circuit protection Over-temperature protection Electro-magnetic protection Electrostatic production
Total Power	30W
Compatible	Laptops tablets and smart phones PD 2.0, QC2.0, QC3.0, QC4.0 Devices, etc
Certificate	CE, RoHS, FCC, KC, SAA

3. Product details of factory 30W USB C charger with CE certificate

USB-C port

5V---3A

9V---3A

12V--2.5A

15V---2A

20---1.5A

Petite and Portable

Shaped in compact size, portable to use anywhere
